Cranborne

Rumbold

heard from home that our
youngest son has won
a Scholarship at Winchester
College. Winchester is the oldest
Public School in England
and a Winchester Scholarship
is the best thing that a
boy can get in England
Naturally we are very pleased
proud. Is'nt it very
sad that Lady Hardinge
should have died in England.
No one knew that she was
ill until yesterday - I
suppose H.H is writing to
Lord Hardinge
With kindest regards

Yours sincerely
